▶ I thought I would post some dates I have already collected for my calendar in 2016, it is by no means comprehensive but will give some of you an idea of what's out there.
I will not be doing all these events and some dates do clash but for the people who moan that there is nothing to ride then have a look at the following.

Nigel Heath

21st - 23rd ITDE Elba Italy The highlight of 2015 for me, fabulous event with probably the best organisation of any Enduro, old or modern. Plenty of clips on Youtube and loads of photos on the internet. Needs to be part of a Holiday though to make the best of it. Polly and I will probably have our main Holiday here and take in both the ISDE in Spain and then onto Elba for the ITDE.
